Think about what project divisions you'd like to enter.

tsaffall Plans & Martin-Gatton College of Agriculture, Food and Environment

STEP2

List class numbers and descriptions for specific projects you plan to enter

Class:	Description:	

Double check those requirements

> Does your project need to be a certain size, demonstrate a specific skill, require any additional documentaion or statements.

ie.. Folder, pictures, artist statement, able to hang

STEP 3 STEP 4
